Louis Prussner Media

Supplementary Regulations

THE EVENT

A rallycross is an event generally held on an unpaved, flat surface, wherein the course generally consists of straight sections and connecting turns and corners. Accent in course design is also placed on the general avoidance of obstacles such as trees, exposures, deep ditches, etc. Please see "Eligibility of Vehicles" and other preparation information below. This Rallycross Event will take place on Barnes Lake. Surface Terrain will be hard packed snow or ice, with the possibility of large spots of standing water, depending on weather conditions.

Barnes Lake is a Natural Habitat, All competitors must bring a tarp large enough to cover the surface of the ice in your pit area to prevent leaks and spills.

JURISDICTION

The rally will be held under the current rallycross regulations of the Canadian Association of Rallysport (CARS). This publication is available from CARS.

STATUS

Sanctioned by the Canadian Association of Rallysport (CARS) and Rally Pacific Motorsports (RPM). This event is part of The WCRA Rallycross Championship
